

*Our Vision: A world in which people unite in service, across borders seen and unseen,
so that every human may prosper and live with dignity.*

WHAT CONTRIBUTORS TO [THE UNITE PASSION PROJECT](#) NEED TO KNOW

Project participation is ***by invitation only***.

We are asking talented, successful people to make and email us five to 10-minute long videos to compliment and support the education of our [Unite Scholars](#) in Tanzania.

This is free. It costs nothing. There is no financial ask or responsibility. Phew!

This is meant to be fun, quick and easy (relatively).

Here, a quick guide to making your video:

1. Set up your iPhone or PC or ask someone to film you.
Try to film in a well lit, quiet area so we can see and hear you.

2. Introduce yourself. Tell us where you live, where you work, and what you do.

3. Content suggestions:

- Share about a specific topic or issue related to your work.

(Ex. What are three things about this topic that are particularly interesting or exciting to you?)

- Share what you love most about your work.

(Ex. What are three things that you do regularly that bring you the most satisfaction and joy?)

- Share about your journey. How did you get where you are today?

(This approach may be best for those whose paths have been uniquely challenging or non-linear.)

- Share any favorite books, authors, films, websites or resources so that our scholars may learn more.

By submitting your video to [The Unite Passion Project](#), you are giving Unite permission to post and share your video *without limitation* to advance Unite's mission.

If you do not want your video shared on our website or through social media and/or news outlets, you *must* let us know at the time you submit your video. Thank you!

Together we can create a more compassionate, equitable, just, and balanced world.
